

Space Race or Submerged World

Level 1: Starting Point

Theme: "The Awakening"

Start on the first platform, getting used to the controls and do some basic jumps.
In this level, learn basic movements and avoid small obstacles such as crates.

Level 2: The Leap Forward

Level theme: "Into the Unknown"

The moving of platforms, gaps enlarging.

More flying obstacles; one will have to time jumps not to drop into pits.

Level 3: The Challenge Rises

Theme: "The Broken Path"

Platforms are trickier, with more unstable areas and obstacles.

Checkpoints appear more frequently now,
as this level is challenging with tougher jumps and more crates.

Level 4: The Final Trial

Theme: "The Great Globe"

Narrow, moving platforms full of obstacles make it the hardest level.

The player should avoid the big floating globes and
reach the big Earth-like globe to win the game.

Each level will be increasingly difficult, with more obstacles and tougher jumps,
until you finally meet the ultimate goal at the end!
